CHEEKTOWAGA, N.Y. (WIVB) - A security lockdown drill will take place at the Walden Galleria Thursday morning.

The drill, which starts at 10:15 a.m., will be conducted by mall security and Cheektowaga police as a precautionary measure.

"Walden Galleria and Cheektowaga Police work continuously to ensure that all groups and individuals involved are properly trained and prepared if a crisis should arise," Alex Corbelli, marketing director for Walden Galleria, said. "By hosting quarterly drills, it is highly important that all employees and staff members are familiar with these procedures."

The drill should last about 15 minutes.
