UPDATE: Cheektowaga Police say on August 22nd that Nathan Humphrey was located and returned to his family.

CHEEKTOWAGA – The Cheektowaga Police Department is trying to locate a missing teen from our town who has been missing since August 9th.

15-year-old Nathan C. Humphrey left his house on that date without his phone, clothes, money, or his medications.

He has attention-deficit/hyperactivity disorder, and behavioral issues and police say he becomes irritable when not using his medications.

Police think he may be in the Southern Tier area of Western New York.
