Today, Scout was asked to help brush off the patrol cars. Scout apparently had other ideas.

We received a tip from TIP411 today that the Grinch was seen in town attempting to steal Christmas! Ofc. Nazzarett was able to locate the suspect on a car stop! While we were able to get the Grinch off the street, please remember other thieves are working hard this time of year to steal your stuff! Lock your cars, keep packages out of site while shopping and bring all your belongings inside the house with you!!!
