Where is spring??? It looks as though this weekend is going to still have some pretty extreme weather. While they've been forecasting warmer temperatures, it looks as though it's going to bring extreme wind along with it.

A **High Wind Warning** has been issued for Sunday:

...HIGH WIND WARNING IN EFFECT FROM 11 AM TO 11 PM EDT SUNDAY...

The National Weather Service in Buffalo has issued a High Wind Warning, which is in effect from 11 AM to 11 PM EDT Sunday.

* LOCATIONS...Niagara, Orleans, Monroe, Northern Erie, and Genesee counties.

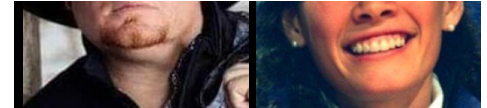

* TIMING...From late Sunday morning through late Sunday evening.

* WINDS...Southwest 20 to 30 mph with gusts up to 60 mph.

* IMPACTS...

PRECAUTIONARY/PREPAREDNESS ACTIONS...

High winds of 58 mph or greater will make driving difficult and could result in property damage, including downed trees and power lines. Scattered power outages are expected. Home owners should secure loose objects.
