

Walden Galleria to host lockdown drill

May 29, 2019

Walden Galleria will be hosting its second lockdown drill of the year at 10:15 a.m. Thursday, May 30.

The drill is a precautionary measure conducted quarterly by Walden Galleria Security and the Cheektowaga Police Department to equip employees with proper education, training and responsiveness in the case of an emergency.

The drill is anticipated to last approximately 15 minutes and will be initiated during open mall hours to simulate a realistic situation for employees, security and police.

Mall patrons and guests are encouraged to go about their shopping normally during the drill. Walden Galleria Security works closely with Cheektowaga Police on several measures to ensure the safety and protection of all mall employees and visitors.
