A 56-year-old Cheektowaga man was in critical condition Monday morning after he was shot Sunday afternoon on Main Street, according to a Buffalo police spokesman.

The victim, whose name was not released, was shot at about 3 p.m. on Main between East Utica and East Ferry streets.

He was taken to Erie County Medical Center with what were initially described by police as serious injuries.

Police have not released any further information about the incident. Investigators ask anyone with information to call or text the department's confidential tip line at 847-2255.

Man seriously wounded in Main Street shooting
