Yuriy Bruks is named a suspect in that homicide and is accused of second degree murder.

The I-Team has discovered Bruks owns the home, on Raymond Avenue, where Tetiana Bruks, 34, was found dead on Sunday.

According to Erie County Real Property Information, Bruks purchased the home, with his wife -- in October, 2018.

Cheektowaga police said they were called to that same home, 81 Raymond Avenue, just before 4:00 a.m. Sunday. An autopsy was scheduled for Monday.

Police say Bruks is 5'11", weighs 180 pounds with green eyes and brown hair.

Neighbors on Raymond Avenue in Cheektowaga say the couple kept to themselves.

"That house always looked empty. I didn't know anyone lived in that house to be honest. There were never any lights on that I ever noticed," Richard Herman said. He lives just houses away.

Another neighbor added: "I am very shocked about it because I'm wondering if somebody is out there. If they're in my yard, around my yard, you just don't know."
