Cheektowaga police are asking the public's help in locating a man wanted in the murder of his wife.

The suspect was identified as Yuriy Bruks, 34. He was described as 5 feet, 11 inches tall and 180 pounds. He has green eyes and brown hair.

There's an active warrant on a second-degree murder charge for Bruks in the death of his 34-year-old wife, Tetiana Bruks, who was found dead Sunday morning at 81 Raymond Ave.

Police said he should be considered dangerous.

Crimestoppers Tuesday announced that it is offering a reward of up to \$2,500 for information leading to the arrest of Bruks.

They asked anyone with information about him or his whereabouts to call 716-686-3505.
